
WAIORA LIFESPRINGS

DEAR CHURCH FAMILY & OUR WONDERFUL SUPPORTERS

We are back up and running with all our different services, outreaches and programs.

Marcus and Toa visited the prison this last Sunday, 1 Feb, with a wonderful opportunity to preach the gospel to the inmates. Catch up with them if you want to hear more or are interested in this outreach.

We are meeting with a couple of other church leaders to plan combined monthly youth outreaches. Pray for wisdom, labourers, provision, strategies, and most importantly souls, as God has clearly told us to go after the youth in this season (never at the exclusion of other age groups).

We are grateful that some mature believers have come amongst us to support what is happening. I see them as the legs that support the table that welcomes and serves the people. Because of your support we can continue on with this work of God in the community.

Congratulations to Jasia, Mia and Grace who were baptised on Friday, 30th January. It was a beautiful evening and an amazing way to start the year!

Over the last few Sunday mornings, I have been doing a series on “Navigating the Times”. Jesus himself teaches the importance of understanding the times when He says, “...You know how to interpret the appearance of the sky, but you cannot interpret the signs of the times.” Matthew 16:3. Our Sunday morning service is at 10am at Holland Rd. All welcome.

Thank you for your support whether it be prayers, finances, skills, necessary items or serving. We are grateful to God for you all and your contribution as we continue reaching out with the love of Christ and his incomparable good news.

May 2026 be a year of bountiful harvest.

For the greatest cause of all!

CHRISTYLAZ BAND

Our Christylaz band were one of the 11 finalists at Festival One. They actually stayed at #1 spot for most of the time the competition was running (about 6 weeks) and fell to #2 for the last about 9 days, making them the most favoured choice of the voters. We are so proud of them. The person who made it up to #5 was the one who won, chosen by Life FM & Festival One. Congratulations to Dani Ella.

Our guys are such a blessing, leading worship every week with a beautiful sense of His manifest presence among us as He inhabits the praises of His people. Our God reigns.

Their album "Enter In" is on most platforms including YouTube, iTunes and Spotify.

WEDNESDAY AFTERNOON CHILDRENS' CLUB

We are still in the process of planning and promoting our Children's club and intend to start again on **25 February**. Please let Liz know if you have a heart for this ministry.

Children are very important in the kingdom of God. We aim to include them in our service and provide them with worksheets and craft activities during the message at church services so see Verity for worksheets etc. Eventually as resources and space became available we will be able to do something more for the children.
