DEAR CHURCH FAMILY & OUR WONDERFUL SUPPORTERS

By Liz Moffitt

Praise God for His wonderful blessings and favour as we continue our service in the community and plant anew under our new name, Waiora: LifeSprings and our Charitable Trust, Waiora Mo Te Tangata Board.

We enter this new season with joy and expectation of the future and a certain hope that God is leading us in the greatest cause of all, souls! Precious souls.

At the centre of all we do is love of Christ and His great commission by sharing the good news, making disciples, who make disciples.

Finances and assets, as well as our special character, will be the responsibility of our Waiora Trust Board and Advisors, and we intend to be transparent and accountable. We will also be connecting with and networking among local pastors and congregations.

We will be working to a budget and continuing to pray for God's provision. Hopefully, by our opening service, we will introduce our elders/ oversight team for our new church. One step at a time. Each step prayerfully taken.

CHRISTYLAZ YOUTH

Young people please follow Christylaz Instagram page for updates and holiday events.

THE GATHERING

Mid-year, we hope/plan to relaunch our Youth Gathering, as it appears we have most, if not all, funding for this.

We plan to work in collaboration with Shane Vink from Te Whanau Putahi & other groups and people interested in this exciting venture. Watch this space.

CHRISTYLAZ BAND

Praise God, Christylaz entered 3 of their songs into Festival One and were selected as one of the 11 finalists. They will be performing at this Festival. Listen out on Life FM for their song and interview, and give them a vote, or come to Festival One and support them.

We will continue to disciple and raise young musicians in the great cause of the Kingdom.
